

Privacy Policy

Last updated: July 2025

This Privacy Policy outlines how DF Digital handles your data. By visiting this site, you accept the practices described below.

1. Personal Data

This site does **not collect any personal data** directly. There are:

- No forms
- No cookies
- No analytics or tracking scripts

The only way personal information may be shared is **if you contact me voluntarily** via email.

2. Email Communication

If you email me (e.g., info@dfdigital.eu), your message and email address will be stored for communication purposes only. Your email will never be shared or sold.

3. Third-Party Content

This site may link to third-party services such as GitHub or LinkedIn. These platforms have their own privacy policies, which I do not control.

4. Security

This site uses HTTPS and is hosted securely. However, no method of internet transmission is 100% secure.

5. Changes

I may update this privacy policy from time to time. You can always find the latest version on this website.
